Attachment C

ACT DEPARTMENT OF EDUCATION AND TRAINING
CAREER CLUSTER PROGRAM 2009

FINAL REPORT DUE MONDAY 21 SEPTEMBER 2009

FINAL REPORT SUGGESTIONS

- Did the cluster project meet the aims of the Career Cluster Program?
- Did the cluster project adhere closely to the guidelines? If not, why not?
- What were the main activities undertaken during the project?
- Were the *Career Education Quality Framework* the ABCD (the Blueprint) useful resources?
- Was the review of careers and transition activities using the Quality Teaching model beneficial?
- What were the main outcomes of the project? I.e. how has career delivery at your school improved leading to improved career development for students?
- How was the project innovative?
- How has the cluster project benefited individual students at cluster schools?
- Describe any variations to the project since approval.
- Was the cluster able to report according to the timelines specified in the guidelines? If not, why not?
- What are the strengths of the cluster model?
- What are the challenges of the cluster model?
- Does your cluster have any suggestions about future activities that could enhance career development for students in the ACT?
