

Permitted Use and Copyright Requirements for NAPLAN 2009 Tests.

Permission has been granted for post-examination use of the 2009 NAPLAN Tests for non-commercial educational purposes by the Australian Government (Department of Education, Employment and Workplace Relations - DEEWR), Curriculum Corporation, State and Territory Education Departments, and other Australian education bodies such as non-government schools.

Conditions of use of 2009 Test Content Materials

2009 Test Content Materials:

- can be used, reproduced, published and communicated for non-commercial educational purposes only;
- can be published in printed format;
- can be published in digital formats that can be delivered, for example, on disks and included on Education Departments websites and intranets for a period of five years (until November 2013);
- must display acknowledgements where required (see Table 1 below);
- must be credited in accordance with the acknowledgement as shown in this document; and
- may be modified, e.g. where an excerpt is abridged to highlight a specific element

Acknowledgements

Reading, Writing Prompt and Language Conventions test items include third party copyright material. Materials that include third party copyright are listed in Table 1. Permission has been granted by third party copyright holders for non-commercial educational uses of these materials, in accordance with the conditions of use outlined above. **Third party acknowledgements must be shown with the test item materials, as outlined in Table 1, when these materials are used.**

Material created by Curriculum Corporation or supplied by its contractors can be used by jurisdictions for non-commercial educational purposes. Curriculum Corporation, on behalf of the Ministerial Council on Education, Employment, Training and Youth Affairs, must be acknowledged as the copyright holder.

* Test items marked with an asterisk indicate format changes and revised acknowledgements as requested in post-test permissions. Curriculum Corporation will provide updated files to Test Administration Authorities on request.
