National Assessment Program Website

The website for the National Assessment Program is now available at www.nap.edu.au. On this website you will find information about NAPLAN and NAP Sample Assessments. This information is useful for parents and carers, schools, state and territory authorities and the wider community.

The NAPLAN component provides links to a School Support section and contains information on national protocols, student participation, special provisions and incident management as well as a Parent/Carer support section.

The NAP Sample Assessments component provides links to information on Science Literacy, ICT Literacy and Civics and Citizenship.

Equating Study

Schools involved in the equating study have been selected and will be contacted by Pearsons to confirm contact details. The contractors will assign a test invigilator to each school.

School Online Assessment Registration (SOAR)

This tool will be used in the administration of the National Assessment Program - Literacy and Numeracy (NAPLAN) 2011. Student data has been centrally uploaded and can now be checked by schools. Access details have been provided to principals. Please note that the web address for SOAR is: <https://detportal.semagroup.com.au>

ACT Marking Centre Employment

ACER should have notified successful applicants. Please note that public school teachers who have been successful in gaining employment at the night-time session must complete the Application for a Second Job form located at:

<http://sharedservices/actgovt/HRforms.asp>

The completed form must be sent to Shared Services HR Information Management at 40 Allara Street or scan and email to SharedServicesHRInfo@act.gov.au or fax: 6205 3204.

NAP-ICT Literacy

The next NAP - ICT Literacy test will be undertaken by samples of Year 6 and Year 10 students from 1 October to 1 November 2011. Schools selected as part of the scientific sample will be notified early in term 2.
