FOOTNOTES

1. Priority enrolment areas (PEA) have been defined in terms of official suburban boundaries and street names, as shown on the Maps of Canberra by Suburbs. Roads may be used as boundaries for Priority Enrolment Areas. In these instances the roadway is the boundary. Proposed new development areas such as in Gungahlin, Dunlop and Macgregor have been included within the relevant priority enrolment areas to provide guidance for potential residents. PEA boundaries are reviewed annually to ensure there is an acceptable balance between expected student enrolments and school capacities. Most boundaries will remain unchanged from year to year, while others may vary.
2. College students resident in Gungahlin have priority enrolment at Melba Copland Secondary School, Dickson College or Lake Ginninderra College.
3. Kambah students have priority enrolment at either Lake Tuggeranong or the Canberra College.
