*Achievement in Learning Area*

Specific grade descriptors for each unit are detailed in the ACT Board of Senior Secondary Studies Course Frameworks. In general, the A – E letter grades indicate:

A - Students who have demonstrated very high level of knowledge and understanding of the full range of concepts and principles in the unit.
B - Students who have demonstrated a high level of knowledge and understanding of the concepts and principles of the unit.
C - Students who have demonstrated a sound level of knowledge and understanding of the basic concepts and principles of the unit.
D - Students who have demonstrated a limited knowledge and understanding of the basic concepts and principles of the unit.
E - Students who have demonstrated a very limited knowledge and understanding of the basic concepts and principles of the unit.
S - Status is awarded to students where unavoidable circumstances have prevented assessment for an A - E grade.

*Achievement relative to other students in year group*

You can compare your achievement with that of other students in the same year group in the school by comparing your grade with the number of students achieving each grade.

* denotes distribution not available due to small size of year group.
